Press Release – Boston Networks New Headquarters

Glasgow, Scotland, November 2007 -- Boston Networks Ltd, the Glasgow based integrator of intelligent communications systems, has relocated to a new purpose built 6,500 square foot facility in Hillington Park, Glasgow. The new facility provides additional space to support Boston Networks rapidly growing business level, with room for further expansion.

Boston Networks Ltd is a leading provider of standards based network infrastructure services, encompassing Cabling Services, Wireless Systems, IP Connected Buildings and residential Smarthomes.

Boston Networks Chief Executive, Keith M E Anderson, said “This new facility positions us to continue to grow and allows us to further enhance our service offering to our customers throughout the UK. We now have the space, equipment and personnel to move our business towards the next level.”
The new headquarters facility is at.....

8 Carberry Court
Queen Elizabeth Avenue
Hillington Park
Glasgow
G52 4NQ

.....and is located only 5 minutes from Glasgow Airport and 10 minutes from Glasgow City Centre, 1/2 mile south of the M8, Junction 26.

Further information on Boston Networks Ltd is available at www.bostonnetworks.co.uk or via email on enquiries@bostonnetworks.co.uk
